The story so far: Ryuji becomes the oldest brother after his father remarries. But it now weighs heavy as the owner of the cafe that Ryuji's father just inherited. One day, Ryuji witnesses the secret dinner Kaori is having with Isaki, their treasured brother. Motivated by friendship, Ryuji tries to help Kaori tell Isaki how she really feels, but Kaori tells him she's not ready. On the other hand, for Isaki's sake, Kaori broke it off with the man he used to date around with.
